

# JOIN THE GLOBAL HERNIA EVENT THAT'S SHAPED BY INNOVATION.

The Dextile™ anatomical mesh  
virtual webinar

We're committed to providing you with innovative solutions that enhance your surgical experience and lead to positive outcomes. Dextile™ anatomical mesh offers just that. It's uniquely designed with an ideal shape for successful inguinal hernia repair.

#### Our objectives include:

- Presenting the unique Dextile™ anatomical mesh characteristics for MIS inguinal hernia repair
- Discussing best practices for optimal MIS inguinal hernia repair
- Demonstrating Dextile™ anatomical mesh implantation techniques through procedural case videos
- Engaging live with a MIS inguinal hernia repair expert panel to learn their intra-operative tips and techniques and their experience with Dextile™ anatomical mesh
